With the EZVIZ Husky Air, you always enjoy peace of mind. The Husky Air is an outdoor Wi-Fi camera designed for the outdoor security of your office, your store, your parking or your entrance when you’re not there. It is equipped with a built-in strobe light and siren to scare off unwanted intruders. It also has two antennas for maximum Wi-Fi and two-way audio. Thanks to the night vision, you can see what’s going on, even at night. Just check the app on your smartphone, wherever you are, whenever you want.
ABOUT EZVIZ

EZVIZ helps you app your life. Right from the palm your hand, you connect visually to your home or your work. Welcome to the smart home and business!

HIGHLIGHTS

  - Store on an SD card or recorder

- **Instant alerts**
  - Your mobile keeps you up-to-date

- **Easy to install**
  - Includes a mounting kit for walls and ceilings

- **Easy-to-use app**
  - Crisp lay-out, user-friendly features
**FEATURES**

**ALWAYS CONNECTED. ALWAYS SAFE**
The Husky Air outdoor camera has 24/7 HD live streaming. Check in on your property via the app, whenever you want.

**SEE WHAT’S HAPPENING, EVEN IN THE DARK**
Even in total darkness you see what’s happening. The camera automatically switches to a sharp monochrome video stream when it’s dark. Thanks to this night vision, you get clear, detailed images at ranges up to 98.4 feet (30 meters). You can check the surroundings of your store, your parking or your garden during the night.

**BUILT-IN STROBE LIGHT AND SIREN**
The Husky Air is your active line of defense. When an intruder is detected, the camera immediately sends you a notification on your mobile and sets off a bright strobe and a loud siren.
FREE STORAGE
The camera has an integrated micro SD card slot that supports up to 128GB of storage (card not included). You can also store the pictures and videos on the EZVIZ NVR X3 or X3C video recorder.

DESIGNED FOR ALL WEATHER
The Husky Air has an IP66 rating. This means it is dust-proof, waterproof and designed to function in the most extreme circumstances or temperatures, from -30°C to 60°C.

LISTEN IN AND TALK
Thanks to the built-in two-way audio, you will not be a mere observer but you are able to interact. Just open the EZVIZ app, start the communication and decide whether you want to scare off an intruder or talk with your colleagues at work or the visitor at your entrance.

ENJOY A STRONG, STABLE CONNECTION
Sometimes, outdoor cameras suffer from a router signal that is too weak. Not so with the Husky Air: it comes with two antennas, ensuring a strong and stable Wi-Fi connection. As a result, you can mount it where you need it most on your outdoor property.
Always up-to-date
Whenever movement is detected, you get an instant notification via the app. You immediately know what’s going on.

Wherever you need it
The Husky Air is easy to install. Thanks to the mounting kit for walls and ceilings you can install it on anywhere you want or need.

Integrated EZVIZ solution
All EZVIZ Wi-Fi cameras are ready for the smart home. You can for instance connect the Husky Air with your nearby EZVIZ door or window sensors via the A1 Alarm Hub. All-round security at your fingertips.

One app does all the work
With the easy-to-use EZVIZ iOS or Android app, you can view up to four live video streams at the same time. If you want to connect other EZVIZ security devices, such as cameras, sensors, or recorders, you just add them and start using them, all from one and the same app. Its clean layout makes it easy to find all your cameras, change settings and see what’s happening with just a few taps.
# SPECIFICATIONS

## CAMERA
- **Image sensor**: 1/2.7" Progressive Scan CMOS
- **Minimum illumination**: 0.02 lux @(F2.0, AGC ON), 0 Lux with IR
- **Shutter**: Self-adaptive shutter
- **Lens**: 2.8mm @ F2.2, Horizontal angle: 103°, Diagonal angle: 118°
- **Lens Mount**: M12
- **Day & Night**: IR cut filter
- **DNR**: 3D DNR
- **WDR**: Digital WDR

## COMPRESSION
- **Video Compression**: Smart H.264
- **H.264 Type**: Main Profile
- **Video Bit Rate**: HD; balance; and fluency, Adaptive bit rate

## IMAGE
- **Max. Resolution**: 1920 × 1080, support dual-stream
- **Frame Rate**: 50Hz @ 25fps, 60Hz @ 30fps; adaptive frame rate of network transmission
- **Image setting**: Brightness, contrast, saturation, etc. (configure via Ezviz studio)
- **BLC**: Support

## NETWORK
- **Storage**: Support Micro SD card (Max. 128G)
- **Smart Alarm**: Intelligent motion detection
- **One-key configuration**: SmartConfig (Wi-Fi one-key configuration)
- **Protocols**: Ezviz cloud proprietary protocol
- **Interface Protocol**: Ezviz cloud proprietary protocol
- **General Function**: Flicker filter, dual-stream, heart beat, mirror image, password protection, watermark
- **Wired network**: A RJ45 Ethernet Port, adaptive rate of 10/100M

## WIRELESS PARAMETERS
- **Standard**: IEEE802.11 b/g/n
- **Frequency Range**: 2.4GHz ~ 2.4835 GHz
- **Channel Bandwidth**: Support 20MHz
- **Security**: 64/128-bit WEP, WPA/WPA2, WPA-PSK/WPA2-PSK, WPS
- **Transmission Rate**: 11b: 11Mbps, 11g: 54Mbps, 11n: 135Mbps

## GENERAL
- **Operating Conditions**: -30ºC to 60ºC, humidity 95% or less (non-condensing)
- **Power Supply**: 12V ±10%
- **Power Consumption**: 8W MAX
- **IP Grade**: IP66
- **IR Range**: Max. 30 meters
- **Dimensions (mm)**: 150.44 x 85.80 x 71.64mm
- **Weight**: 326 g

---

**What's in the box?**
- 1 x EZVIZ Husky Air camera
- 1 x Power adapter
- 1 x Mounting Template
- 1 x Screw Kit
- 1 x Quick Start Guide
